## **IMPACT OF THE STATE'S EARLY RELEASE PROGRAM – JANUARY 2011 (ADMINISTRATIVE MEMO, AGENDA OF MARCH 2, 2010)**

On March 2, 2010, your Board directed the Chief Executive Officer (CEO) to provide monthly reports on the impact the State's prison and parole reforms have on the Sheriff's Department (Sheriff), Department of Mental Health (DMH), and the Department of Health Services (DHS). The following is a summary of the impact the State's prison and parole reforms have had upon these County departments since the implementation of Senate Bill X3 18 on January 25, 2010:

### **Department of Mental Health**

#### **Individuals Currently Residing in Los Angeles County have been Reclassified to Non-Revocable Parole Status**

Between January 1, 2010 and December 29, 2010, DMH outpatient facilities treated a number of individuals whose services were terminated by Parole Mental Health facilities as a result of the reclassification of their parole status. Until DMH receives identifying information regarding this group from the California Department of Corrections and Rehabilitation (CDCR), this number should be considered an estimate as it is based on the self-report of individuals who disclose the information when they initiate a request for service.
